- Prepare for your interview, which will be conducted remotely for most courses.

# 3

things  
to do

# 1

important  
point

Poly EAE is an **aptitude-based admissions** exercise that allows you to apply and receive a conditional offer for admission to polytechnic based on your **aptitudes and interests** before taking your O-Level exams.

If you choose not to apply to the polytechnics through Poly EAE, you may still do so through other admissions exercises, like JAE.

# 2

criteria

Poly EAE is open to:

- Students who are Singapore Citizens/Permanent Residents and registered for O-Levels in year of Poly EAE, and
- International Students in Government, Government-aided or Independent Schools who are registered to sit for O-Levels in year of Poly EAE

For your conditional offer to be confirmed, you will need to:

- Obtain a net ELR2B2 of 26 points or better at the O-Level exams
- Meet Minimum Entry Requirements for the course

If your conditional offer is confirmed, you will not be eligible to participate in the 2022 Joint Admissions Exercise (JAE)
