

HIGHLIGHTS OF TERM 3 @ BVSS

FESTIVAL OF ARTS, MOVEMENT & ENTREPRENEURSHIP (FAME) 2024

Every year, we celebrate FAME to showcase the vibrant energy and spirit of Bedok Viewans. The event features a sports and games carnival as well as exciting entrepreneurship projects, bringing together the diverse talents of our students.

We were especially touched to share this memorable day with our friends from APSN Katong School. The celebration was marked by the official opening of a new and larger gate connecting our two schools. This symbolic gesture represents the strong partnerships and lasting bonds between our school communities, reflecting our commitment to inclusion and collaboration.

NATIONAL DAY @ BVSS

Our National Day observance at Bedok View was truly special, as we came together to express our love and appreciation for Singapore. The parade and hall celebrations created an unforgettable atmosphere, filled with cheers, joy, and the Singapore spirit.

As one united people, we celebrated not just our nation's achievements but also our shared pride in being Singaporeans. It was a day that will remain in our hearts, as we continue to grow together as a strong and resilient community.

STAFF APPRECIATION DAY

We celebrated Staff Appreciation Day, honouring all staff members of the Bedok View family. Our school is not just a place of learning but also a home away from home, thanks to the dedicated staff who continuously strive to provide a safe space to engage students in meaningful, fun, and effective ways.

Our staff ensure that students are comfortable and supported, creating an environment where connections can flourish and learning thrives. Students, filled with gratitude, took the opportunity to show their appreciation to the staff of Bedok View Secondary School, making this day a heartwarming and memorable one. The staff are also especially thankful for the gift specially prepared by the Parents' Support Group. Thank you parents!
