

TERM 2 HIGHLIGHTS @BV

AWARDS DAY 2024

One of the key school events held annually is our Awards Day and Student Leaders' Investiture. This event celebrates our students' achievements, recognises the contributions of our dedicated staff and stakeholders, and marks the transition of our student leaders. It was a joyous occasion that united staff, students, parents, and stakeholders in celebrating our school's and students' successes.

BV 2.4KM CHALLENGE

A standout and exhilarating event in Term 2 was BV's annual 2.4km challenge, where Bedok Viewans exhibited remarkable resilience and courage. Participants put on their running shoes and gave their best efforts, striving to surpass personal bests and achieve their individual goals. Their enthusiasm not only showcased their determination but also underscored the supportive and encouraging cheerleaders we all are for one another in the school community. This event not only promoted physical fitness but instilled a sense of accomplishment, pride and joy as a BV family!

BVSS AS PROUD HOSTS AT ISTP 2024

23 April 2024 was an exciting day as we played host to delegates attending the 14th International Summit on the Teaching Profession (ISTP). The delegation included ministers, union leaders and educators from Canada, Estonia, Finland, Denmark, Latvia, Lithuania and Sweden. Our staff and students made the school and Singapore proud as we shared our EdTech journey and ICT-enabled experiences. Through the classroom visits, we showcased how technology plays a critical role in enhancing teaching and learning to prepare our Bedok Viewans to be future-ready learners!

OVERSEAS LEARNING JOURNEY TO VIETNAM

Our students embarked on a truly memorable journey to the highlands of Sapa in Vietnam. During their trip, they not only stayed with local families as part of their homestay, but also immersed themselves in the community and at the visits to local sites, forging genuine connections and gaining a deeper understanding of the local culture and traditions.

As part of their immersion activities, our students had the opportunity to shadow local students for a day, participating in their daily routines and activities. This hands-on experience provided valuable insights into the school experiences and challenges faced by Vietnamese students, fostering empathy and cultural appreciation among our Bedok Viewans.

In addition to Sapa, our students explored the breathtaking landscapes of Halong Bay, delving into the rich history and vibrant atmosphere of Hanoi. These experiences not only enriched their global perspectives but also the chance to create lasting memories and friendships with their peers.

PSG PARENT AND CHILD BONDING (KAYAK AND KLEAN)

During the June holidays, our dedicated Parent Support Group organized a special 'parent and child bonding' event aimed at fostering meaningful connections and promoting sustainability efforts. This initiative provided an opportunity for parents and Bedok Viewans to engage in activities together, strengthening their relationships while contributing positively to environmental sustainability. The event was a resounding success, with participation from students across all levels. It not only encouraged families to bond and create lasting memories but also highlighted the importance of community involvement and collective action towards sustainability.

**Well Done
Bedok Viewans!**
